

R

Simbols	Unit of measures	Description
R_{c1}	[N]	Calculated radial load on gearbox input shaft
R_{c2}	[N]	Calculated radial load on gearbox output shaft
R_{mt}		Resistance at motor terminals
$R_{N1}R_{N2}$	[N]	Rated radial load at midpoint of input and output shaft
R_{x1}	[N]	Admissible radial load at input shaft - off midpoint application
R_{x2}	[N]	Admissible radial load at output shaft - off midpoint application
